

Sierra Sage

Volume 25 Issue 6, Published Bimonthly by the Sierra Sage of South Orange County Group of the Sierra Club
November 1, through December 31, 2017

You are invited to join us at our regular meeting. *Marty Benson*, the grassroots campaign coordinator for *SaveSanOnofreStatePark.ORG* will brief us on the status of the latest challenge to the San Onofre State Park and actions you can take to protect the Park and related areas. You may even have a chance to let your thoughts be known to local congress members.

We also will cover upcoming hikes, current status of San Onofre Nuclear Plant fuel storage issue, the latest on the Toll Road, and other topics of interest.

WHERE: Norman Murray Community and Senior Center
24932 Veterans Way, Mission Viejo, CA

WHEN: 7:00 PM, Tuesday, November 14, 2017

ROOM: Jacaranda A (**Note: The Meeting Room has Changed**)

DIRECTIONS:

Northbound on I-5, exit at La Paz, turn right onto La Paz, cross Marguerite Parkway and proceed over Oso Creek. Turn left onto Veterans Way and drive to the Murray Center Parking lot.

Southbound on I-5, exit at La Paz, turn left onto La Paz, cross Marguerite Parkway and Oso Creek. Turn left onto Veterans Way and drive to the Murray Center Parking Lot

The Sierra Club’s Lobbying Arm in Sacramento, known as Sierra Club California, has released it’s annual Scorecard of how our State Legislators voted on bills of interest to the Sierra Club.

To prepare the scorecard, Sierra Club California staff selected 12 bills to score in each house. The bills represent a cross-section of environmental and environmental justice issues and were among the top priority California legislation the Sierra Club’s staff and volunteers engaged in this year.

How each legislator voted on each bill was noted and a score was calculated by dividing the number of times the legislator voted with the Club’s recommendation by the total number of bills for which the legislator was present to cast a vote.

“You really have to work at earning a zero on our scorecard,” said Katherine Phillips., Director of Sierra Club California. “You have to display an unusual commitment to opposing anything that has to do with providing clean water and clean air to your constituents.”

State Assembly:

Travis Allen (R-72)	15%
William Brough (R-73)	0%
Phillip Chen (R-55)	33%
Steven Choi (R-68)	11%
Tom Daly (D-69)	58%
Sharon Quirk-Silva (D-65)	55%

State Senate:

Pat Bates (R-36)	0%
John Moorlach (R-37)	0%
Josh Newman (D-29)	75%
Janet Nguyen (R-34)	17%

We recommend that you check to see how your State Assemblyperson and State Senator did on these environmental bills. If you like the way they voted, then tell them so. If you did not like the way they voted, then it is even more important to let them know how you feel.

The 12 bills and what happened to them is provided below

AB 262 (Bonta) Employs the state government’s massive purchasing power and supply-chain analysis to recognize manufacturers who produce less climate pollution than average. SUPPORT: Signed

AB 313 (Gray) Would have weakened the ability of regulators to stop illegal diversions of water. OPPOSE: Vetoed

AB 378 (C. Garcia) Would have made reforms to cap-and-trade regulations to ensure that local communities would not suffer greater local air pollution SUPPORT: Failed to achieve needed two -thirds vote on Assembly Floor

AB 523 (Reyes) Will improve equity of distribution of state funds for clean energy and efficiency projects. SUPPORT: Signed

AB 805 (Gonzalez Fletcher) Changes voting at the San Diego Association of Governments (SANDAG) to better reflect the population of San Diego County, and increase transparency and oversight. SUPPORT: Signed

AB 890 (Medina) Would have limited the use of ballot initiatives in certain cases to prevent developers from abusing a loophole that allows projects to bypass the California Environmental Quality Act. SUPPORT: Vetoed

AB 1151 (Gloria) Would have helped prevent more Vaquita, a small endangered porpoise, from drowning by disincentivizing the use of dangerous gillnet fishing gear. SUPPORT: Passed in Assembly, held in Senate

AB 1328 (Limón) This bill originally required robust disclosure of all chemicals used in all oil industry activities to better protect California from these chemicals. We scored the first Assembly vote only as later votes on the bill reflect amendments that weakened it to remove oil industry opposition. SUPPORT: Signed

AB 1414 (Friedman) Helps make solar power systems more affordable by continuing protections put in place by the passage of SB 1222 (Leno) in 2012 against unchecked permitting fees. SUPPORT: Signed

SB 57 (Stern) Would prohibit SoCal Gas from injecting natural gas into the Aliso Canyon natural gas storage facility until a root cause analysis of the leak from the facility is complete. SUPPORT: Failed to achieve needed two-thirds vote on Senate floor

SB 100 (de León) Would accelerate the electricity sector renewable energy requirement to 60% by 2031 and set a state goal to reach 100% clean energy by 2046. SUPPORT: Passed in Senate; held in Assembly

SB 231 (Hertzberg) Helps clarify that water agencies can collect fees to implement storm-water cleanup and capture projects. SUPPORT: Signed

SB 258 (Lara) Requires disclosure on the product label of chemical ingredients in cleaning products. SUPPORT: Signed

SB 465 (Jackson) Would have helped reframe the Division of Oil, Gas and Geothermal Resources as an agency that should regulate the oil industry, instead of maximizing oil production. SUPPORT: Passed in Senate; held in Assembly

SB 801 (Stern) Directs electric utilities to deploy additional energy storage capacity as an emergency procurement to address near term electric grid needs due to the limitations at the Aliso Canyon Gas Storage Facility. SUPPORT: Signed

Outings

Wednesday, November 08, 2017 8:30 AM
0407-Orange County/Sierra Sage Group Outing
O: Bear Canyon hike

Bear Canyon Loop: 7 mi, 1300' gain up from the Candy Store through chaparral and oaks and wildflowers, then up the ridge to 4 corners and back by shady Pigeon Springs. Meet 8:30 am at South Orange County rideshare point or 9:00 am at the Candy Store on Ortega Hwy parking lot with Forest Service Pass. Bring 2 qts water, snack/lunch, hiking shoes/lugsoles.

Michael Sappingfield 949-633-6993 mikesapp@cox.net

O: Dog Hike in Weir Canyon and Santiago Oaks Regional Park (Humans without dogs are also welcomed)

Join us for a DOG HIKE in Weir Canyon and then over to the Deer Trail in Santiago Oaks Regional Park. Total distance will be around 7 miles with a gain/loss of around 1000 feet. Bring water, lunch, hiking footwear, hat and sunblock. Trails can be steep in areas so you may want to bring poles. Non-aggressive dogs are welcomed. Directions to the Trailhead: Going north on the 55 Freeway get off on Katella and go east. In two miles, turn left onto Cannon Street. In a half a mile, turn right onto Serrano Ave. In 3.2, miles turn right onto South Hidden Canyon Road. Take that road to the end. The trailhead will be on your left.

There is parking at the trailhead but no restrooms.

O: Trail Maintenance on the Lucas Canyon Trail

Sierra Club (Orange County Group, Sierra Sage Group, & San Geronio Chapter) volunteers, male and female, maintain trails in the San Mateo Canyon Wilderness. The October maintenance was cancelled due to high temperatures and for November, we again plan to work on both the Lucas Canyon trail and the access trail into lower Lucas Canyon. Considerable brushing is needed on both trails. The Lucas Canyon trail has some fallen trees and significant tread repair is needed at one location. No experience is needed, just a willingness to work, and tools are provided. Bring work gloves, sturdy boots, water, lunch. The hike could be up to 5 miles round trip with a 600' elevation gain at the end of the day. We will meet at the south OC ride share at 8:00 am to car pool to the trail head. Those coming from Riverside should contact the leader for meeting time and location. Rain, excessive heat, or critical fire danger will cancel. Leader: John Kaiser (jkai39@gmail.com).

Assistant: Rich Maxey

I: San Jacinto Winter Backpack

Join us as we celebrate the New Year in the San Jacinto Wilderness. This moderately difficult overnight backpacking trip will start on Saturday at the Palm Springs Aerial Tramway station in Palm Springs, ascending to the mountain station at 8600' where we will snowshoe (or hike) with full packs for 3 miles to Round Valley (9100') to set up camp. In the afternoon we will explore Round Valley and Tamarack Valley for approximately 3 miles, followed by Happy Hour. On Sunday, we will return same way. Participants must have either snow camping experience or have the approval of leaders to participate. The cost to participate is as follows: (1) round-trip ticket up the Palm Springs

tramway is approximately \$25 per person; they offer AAA discount. (2) A \$5 camping fee per person is charged by San Jacinto wilderness. The \$5 is to be prepaid to leaders by December 15; it is refundable if spot is resold. Participation is limited by permit. Contact leaders to register or for more information.
